Edge Agent

- Arundo Edge Agent enables industrial connectivity and analytics in rugged, remote, or disconnected environments.
- Node, React, Docker, IoT, Azure, Cosmos DB, TypeScript, buzz.. buzz.. buzz..

What is Cypress?

 cypress

Cypress

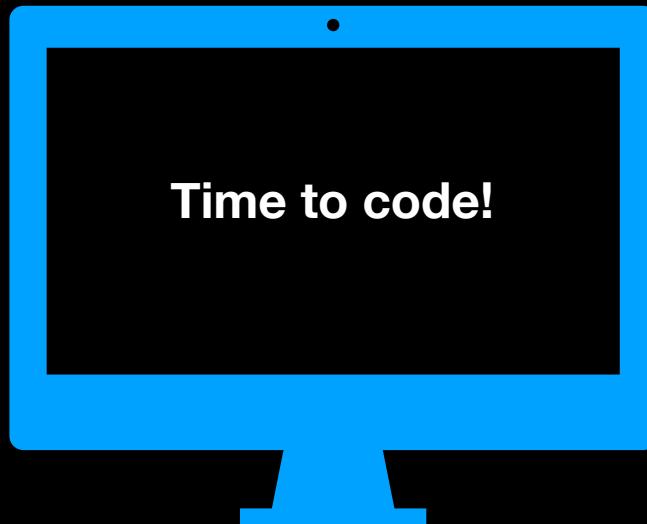

Fast, easy and reliable testing for anything that runs in a browser.

\$ npm install cypress

or

[Download Now](#)

Install Cypress for Mac, Linux, or Windows, then [get started](#).

Thanks!

- Easy to set up
- Easy write and to integrate with your CI
- Great community
- cypress.io
- Rock on! UI test on!
